

Guidelines on the utilization of fund collected by Nihonkairali from Japan for Kerala Flood Relief.

- Nihonkairali will keep donating to CM's Disaster Relief fund as our first priority as we believe this is one of the best ways to stand together with ALL Keralites and support the reconstruction efforts.
- Nihonkairali has remitted all the fund collected in Stage1 from well-wishers to CM's Disaster Relief fund.
- For the continuing fund collection in Stage 2,
 - Nihonkairali will continue to transfer the fund collected in intermittent intervals to CM's disaster relief fund.
 - In addition to transferring to CM's fund, Nihonkairali is planning to use a small percentage (percentage we need to decide) of the fund collected towards the cause of support requests from current Nihonkairali Members on any need they are coming across from their friends and acquaintances back in kerala. They could bring this to Nihon Kairali's notice and request for providing support. This could include support for camps, food , cleaning and rebuilding tasks. Nihonkairali Overall Committee will review the request and will release fund based on the below guideline.
 - Request put forward to Nihonkairali Overall Committee by Nihonkairali member. Please send requests to overall.committee@nihonkairali.com
 - Requesting members does an authentication and background check and present a brief detail on plan for spend.
 - Request will be reviewed and approved by Nihonkairali Overall Committee
 - Maximum amount that will be released per case will be Rs 10,000
 - Requester need to provide a proof of purchase or anything equivalent on the fund allocated back to Nihon Kairali. If some photos of the purchased items could be given back, that is much appreciated.
 - In the case of the support provided to Individuals in Kerala, their Name, address and phone number details need to be recorded for NK to make it public
